# Thanks Sam... It's going to be great!

## Don't miss Youth Work Week

Between 1 – 7 November, we are holding loads of special events the length and breadth of Wales in celebration of Youth Work Week – and that's on top of the hundreds of activities, projects and initiatives that normally take place week in and week out in Wales!

So if you're a young person aged 11-25 looking for something really interesting and fun to do, check out the events in your area listed in this guide and visit

our website which has even more events for you to get involved with.

Go on, you'll have such a great time and you'll be thanking Sam if you do!

## So, who's Sam, we hear you ask?

Sam represents all of us involved in Youth Work.

Sam's not a pop star, Sam's not a sporting icon or a TV personality, but to many young people, Sam's even more special. Because, as a Youth Worker, Sam provides help and advice and gives young people the opportunity to learn new skills, make new friends, and experience new things. Sam can make a difference!

## Could you be the next Sam?

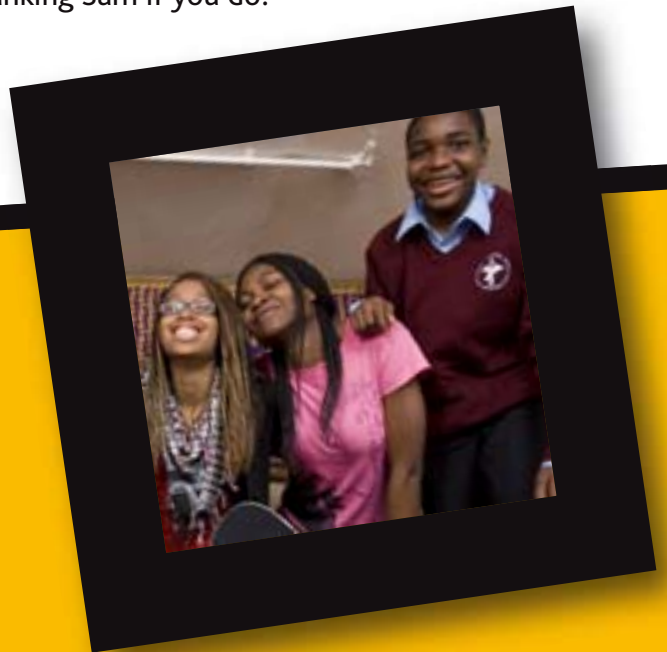

There are many thousands of 'Sams' out there, working tirelessly with young people in Wales and you could be one of them.

In fact at the last count there were 20,000 'Sams' inspiring over 200,000 young people in the Youth Service. But we need more! Have you got what it takes to be our next Sam? Could it be you?

# Young people putting Llandovery on the map!

Imagine a huge map of Llandovery covering the entire floor. Imagine having the chance to personalise the map by adding paint and collage, so that it reflects your area, your interests and your life.

Then imagine having great food, and local bands playing great music to add even more fun to the evening. Well local people in Llandovery won't need to imagine it all – they can come along to the Llandovery YMCA and enjoy the experience for real.

It's just one of the hundreds of fantastic events taking place during Youth Work Week. Check out what's happening near you.

**Thanks Sam.**  
**We've got a great evening mapped out.**

# Talent spotting in Montgomeryshire

They're young, they're gifted and they're back with their fantastic 'who's got talent' show in Montgomeryshire.

Following on from their successful event last year, young people are teaming up with Powys Youth Service again to search for young stars with the X-factor!

A series of talent show heats are taking place around the region, culminating in a chance for finalists to appear in a prestigious show at the Theatre Hafren to an expected audience of 500 people!

There are two categories – performance art (singing, dancing, drama, football skills etc) and visual art (photography, painting, ceramics etc), so there's an opportunity for everyone to get involved.

This is a great event that brings young people from around the region together to show off their remarkable talents. Don't miss it.

**Thanks Sam.**  
**What a great talent show!**

# Protecting your rights

The Welsh Assembly Government believes that it is the basic right of every child and young person in Wales to be given the opportunity to live a happy and fulfilled life.

In 2004, we adopted the United Nations Convention on the Rights of the Child (UNCRC) as the basis of all our policy making for children and young people.

Under the UNCRC every young person has a right to a quality education, access to accurate information and a say in decisions that affect them.

- A quality education (Articles 28 and 29)
- Access to accurate information (Articles 13 and 17)
- Participate in decisions that affect them (Article 12)
- Healthcare and a good standard of living (Articles 24 and 27)
- Play and recreation (Articles 15 and 31)
- Use the language and customs of your family (Article 30)
- Fair treatment in the criminal justice system (Articles 37 and 40)
- Know what those rights are (Article 42).

## Youth Work Week ticks all the boxes

So, you can see why Youth Work Week, and Youth Work generally, can play such an important role in helping us all fulfil our commitment to the young people of Wales.

Events like these give young people the chance to learn new skills, gain access to support and information on education, healthcare and have their say on issues that affect them by taking part in group discussions and forums.

For further information on the UNCRC and to find a full list of the articles of the convention, then please go to: [www.cliconline.co.uk/uncrc](http://www.cliconline.co.uk/uncrc)

Clic is the National Information and Advice Service for 11-25 year olds in Wales and is funded by the Welsh Assembly Government.

The project aims to provide information and advice in accessible formats to aid young people in making informed decisions and make this available in a range of settings across Wales to ensure that young people can access it.
